

MAKE A "KLONG HANDLE TAMBOURINE"

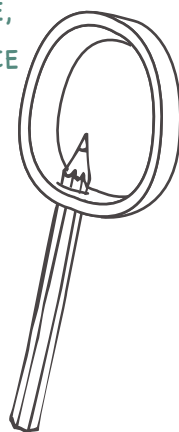

SUPPLIES

- A HARD CARDBOARD RING (LIKE THE INSIDE SUPPORT OF MASKING TAPE)
- WOOL OR COTTON STRING
- ALUMINUM FOIL
- SCISSORS
- GLUE
- ICE PICK
- 2 BALLOONS
- CHOPSTICKS OR A PENCIL

1

THE HANDLE:

MAKE A HOLE IN THE RING SO THAT YOU CAN INSERT THE PENCIL IN IT TO CREATE THE HANDLE, BLOCKING IT IN PLACE WITH GLUE

2

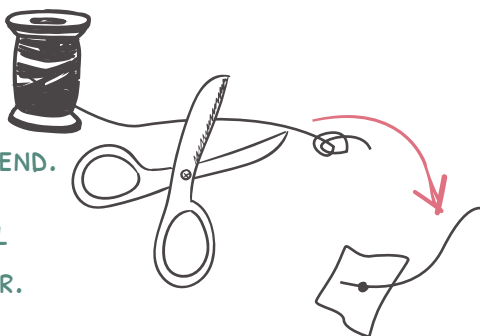

THE RATTLE:

CUT 1 PIECE OF STRING AND MAKE A KNOT AT THE EXTREME END.

TAKE A SMALL RECTANGLE OF FOIL PLACING THE KNOT IN THE CENTER.

CRUNCH UP THE FOIL SO THAT THE KNOT REMAINS IN THE CENTER.

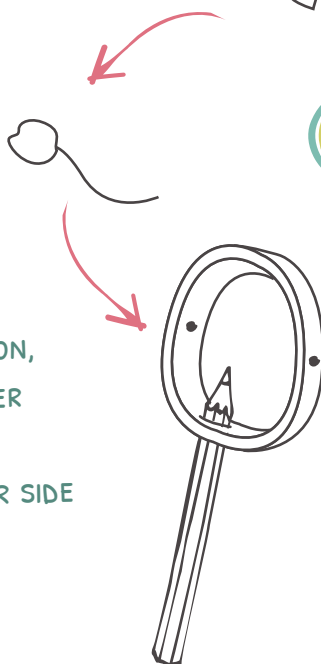

REPEAT THIS PROCESS TO MAKE A SECOND ONE.

3

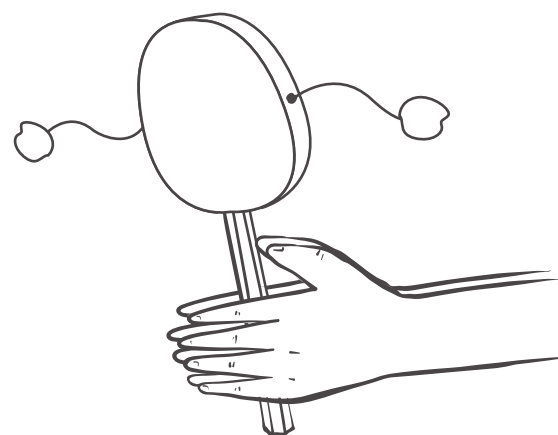

WITH THE ICE PICK

MAKE TWO SMALL HOLES IN THE SIDES OF THE CARDBOARD RING. THREAD THE STRING OF THE RATTLE THROUGH EACH HOLE AND THEN TIE A KNOT SO THAT THE FOIL BALL ARRIVES AT ABOUT THE CENTER OF THE RING

4

CUT THE NECK OFF OF THE BALLOON, THEN STRETCH IT SO AS TO COVER ONE SIDE OF THE RING. REPEAT THE STEP FOR THE OTHER SIDE

CURIOSITIES?

THE KLONG HANDLE TAMBOURINE IS A MUSICAL INSTRUMENT THAT IS A MEMBER OF THE PERCUSSION FAMILY. THERE ARE MANY TYPES OF TAMBOURINES. IT IS ONE OF THE MOST ANTIQUE INSTRUMENTS AND IS FOUND IN ALL CULTURES AROUND THE WORLD.
